Host a fundraiser to advance JP2MRI's medical research AND keep 50% of total proceeds for your own organization's mission!

Thank you for your interest in hosting an event to raise funds to benefit John Paul II Medical Research Institute (JP2MRI), while also sharing **HALF** those proceeds to support your local community initiatives. You can take pride in knowing that your efforts will help JP2MRI move faster towards meeting their research milestones in discovering new, ethically derived therapies and cures using only adult stem cells.

JP2MRI is a 501(c)(3) non-profit medical research organization whose mission is to advance drug discovery and regenerative medicine by exclusively using adult stem cells and induced pluripotent stem (IPS) cells, while also advocating and educating against the use of embryonic stem cell research. The Institute's core medical research areas include: 1) Neurodegenerative Diseases; 2) Cancer; 3) Rare Diseases; and 4) Chronic Diseases that respond to regenerative medicine. JP2MRI has one of the largest portfolios of adult stem cells in the world and has developed new methods for generating IPS cells that could provide a safer alternative for clinical trials in the near future. By hosting an event on our behalf, you will not only be offering hope to those who desperately need better therapies and cures but you will be taking a stand by showing that ethical research matters. Your help will show that you care and that patients are not alone in their fight.

Your fundraiser can be as modest or ambitious as you choose and we hope that this guide will assist you with your efforts. We want your event to be successful and want to recognize your efforts by sharing half of the total proceeds raised with your organization. In this guide, you will find information about hosting and planning your event, as well as promotional, institutional and financial guidelines followed by John Paul II Medical Research Institute. Please read the information carefully and submit the proposal form at the end of the packet to JP2MRI for consideration. A member of our staff will contact you within one week of receiving the form to inform you whether the event is approved. Please email us at info@jp2mri.org or call us at (319) 688-7367 with any questions. Thank you for your interest and support!
